RE: Midland Electric

To Whom It May Concern:

Over the past three years, Argue Construction Ltd. has had the opportunity to work closely with and utilize the services of Midland Electric on several projects. Midland Electric has exceeded our expectations each and every time we have worked together. We have been extremely pleased with their results, as have our customers. Wesley Reid consistently provides complete and accurate proposals, ensuring no unwelcomed surprises throughout the course of a job. Midland Electric remains on time and within budget. Employees are efficient, on time, and are knowledgeable of the tasks they are to perform. Our correspondences with supervisors and management has indeed been very satisfactory.

The work and candor of sub-contractors we hire is a direct reflection of our company; we are more than pleased with the exceptional customer service Wesley and his team provide to our customers throughout all stages of the job.

Argue Construction Ltd. would not hesitate to recommend Midland Electric as a viable, safe, professional subcontractor on any projects one may have. Please do not hesitate to contact me if you have further inquiries.

Sincerely,

F. Shawn Argue, P. Eng., GSC
