April 16, 2014

To Whom It May Concern,

This letter will serve as a professional reference for Mr. Wesley Reid and Midland Electric.

Midland Electric has done various projects with our firm and has delivered on time and within budget.

We have been very pleased with their expertise and professionalism on our projects. They have always demonstrated their skills when confronted with situations using practical and inventive solutions as well responding positively to direction given.

The level of service provided has been immediately and excellent.

We look forward to our continued business relationship and highly recommend Midland Electric for any construction projects.

Should you have any questions on the above, please do not hesitate to contact the undersigned.

Yours truly,

**GLENVIEW CONSTRUCTION LIMITED**

David A. Deme, G.S.C.  
Senior Director of Construction
